Department Expectations, Policies and Procedures

RESPECT is a MAJOR expectation we have for this class. All students are to be treated equally and respectfully in the class. This class requires that you take risks and use your musical ability as a tool of expression – this can be scary. So we must have a classroom that revolves around trust and mutual respect. In order for everyone to be treated equally, the following policies and expectations must be followed:

I expect that you will be respectful with your behaviour and comments towards other students in this class at all times. I expect students to be quiet when others are performing, respond positively and with encouragement when others are trying new things, and work with **all** members of the class in a supportive manner.

BE ON TIME! Arrive to class on time! You will have 5 minutes to gather your materials, assemble your instrument, and begin warming up at the beginning of every class and time to pack up at the end of class. If you are not sitting in your assigned seat after 5 minutes you will be marked late.

Come PREPARED for music class with the appropriate materials every day.

- Instrument with all accessories (mouthpiece, reeds, chin rests, etc.)
- Music, a pencil, and a binder for handouts
- NO FOOD OR DRINKS in the music rooms.

TRY! In this class you may be asked to try new instruments, music, and techniques. It may be difficult at first but it becomes easier if you try your best. If a student is unwell a written note from their parent/guardian must be brought to class. Students will still be expected to assemble their instrument and will be given the opportunity to practice without playing during class to receive marks for the class.

If you have any religious and / or cultural concerns about the course you must speak to me immediately. Remember that you have signed up for a music course that is based on western art music. If you are not comfortable playing certain instruments or music, then perhaps this is not the course for you.

At times it may be helpful for the teacher to guide your movements in order to demonstrate the correct hand or body placement. If you do not want this to occur, speak to us privately or write us a note.

Gum is never allowed. ONLY WATER IS ALLOWED IN THE ROOM. Bring a water bottle with your name labeled on it. There is to be NO eating in music rooms, meaning ANYTHING that you chew is NOT ALLOWED. If you choose to bring in food, gum, candy or a drink into the room you will be asked to leave.

It is your responsibility to make up missed work when you are absent from class when you return. If you miss an exam a doctor's note must be brought in. If you have missed a class you need a doctor's note or letter from your parents to excuse you from class. Without a note you will be marked as skipping the class and given a zero for that day's work.

We know that we are going to have a great year together. Please feel free to see us before/ after school if you have any other concerns you would like to talk about.
